CHENGDU

Aviation

- Chengdu, the largest aviation hub in inland China and 4th largest nationwide, is open to air traffic with 149 cities with 21 international and regional direct passenger air routes and 9 direct cargo air connections reaching Paris, Frankfurt, Amsterdam, Abu Dhabi, Melbourne, Tokyo, Seoul, Bangkok, Kuala Lumpur, Bangalore and Singapore and other European and Asia cities.

General Facts

- Located in southwest China, Chengdu is the capital city of Sichuan province with an area of over 12,100 km² and a population of 14.18 million.
- Founded 2,300 years ago, Chengdu is proud of its long history and profound cultural traditions. Named by both WTO and China National Tourism Administration as Best Tourism City in China, Chengdu is truly a paradise for tourists.
- Chengdu is also a heaven for investors as it was defined by the State Council as trade, logistic, financial and science center, transport and communication hub in Western China. It's also one of China's most important high-tech industrial bases, modern manufacturing, services and agricultural bases.

World Natural and Cultural Heritage Sites

- Chengdu is the hometown to giant panda. The United Nations approved the listing of Sichuan Panda Habitat as world natural heritage, and the largest Panda research & accommodating facility is Panda Base in Chengdu.
- Qingcheng Mountain & Dujiangyan: Qingcheng Mountain is the birthplace for Taoism. Dujiangyan Irrigation System, built in 256BC, is the largest and oldest known irrigation system in the world that still functions featuring undimmed diversion.
- Leshan Giant Buddha: It's the largest stone-carved sitting Buddha in the world

Perfect Location

- Located in the city center, the hotel overlooks the scenic Jinjiang River, ancient Lang Bridge and He Jiang Pavilion.
- Next to the Lang Kwai Fong and Bar Street, various restaurants and bars are within walking distance.
- 5-minute car drive to Chengdu International Finance Square (IFS) and Taikooli.
- 25-minute car drive to Wuhou Temple and Jinli Street, Wide and Narrow Street and Dufu Thatched Cottage.
- 45-minute car drive to Chengdu Panda Base.
